Be sure to read these statements before registering.

If you have already registered with CARE using this online portal, enter your Username and Password here to login and Review or Edit your information, or to Delete your account/CARE registration.

Start here for an Overview of CARE.
Clicking Help & Answers on each page of your registration will give you tips and information.

Make note of your Username and Password for future Logins.

When you’ve completed this page and accepted the Terms of Use, click on Create Your Account to continue.
There is only one line available to complete.

Select this option from the drop-down box.

Select this option from the drop-down box.
Location Name - Enter “Home”.

Enter the physical location of your home. Do NOT enter your mailing address.

Click Verify This Address to move to the next page.
Look for the pin on the map and select the option that fits. If the site of the pin matches your address, click "A", then Verify This Address.

Zoom in or out to help locate your address.

If the site of the pin does not match your address, click None of these looks right and go to the next page.

Remember to check Help & Answers for more information.
Clicking once on the pin will open a window with location information.

Click on and drag the pin to a new location, or select Continue anyway. Then click This is My Location.

If your address does not display, or if you are unable to find your address on the map, please call the Enhanced 911 Board for assistance: 802-828-4911.
Use this *only* if you have more than one home in Vermont.

When you are finished, click **Save & Continue**.
Check all of the boxes that apply to you.

Based on your CARE Need(s), check the CARE Reason(s) that apply. You would need assistance if your area:

- Was being evacuated
- Was isolated (due to road closures, blizzards, etc.)
- Had a long-term power outage

Enter the name, phone number, and/or email for an Alternate Contact. (optional)
Review the information you entered.

To make any changes now, click **Edit** in the section you need, make your changes and **Save** the page.

To update your record or make changes in the future, you will need to **Login**, using the **Username** and **Password** that you created.

When you Login, you will see a page like this one.

Click **Edit**, make your changes and **Save** the page.

Click here if you want to **Delete** your account. This will **Delete** your CARE registration.

When you are finished, click **Logout**.

If you encounter a problem with registration that you cannot resolve, contact the Enhanced 911 Board at 802-828-4911.
